

Expanding the educational horizons of
BMU students by funding events and equipment
that enrich the learning experience.

www.bmuschool.org

Dear BMU Families, Teachers, and Staff,

Happy New Year! As we begin 2014 and the second half of the school year, we are delighted to present our educational community with a special gift and opportunity.

Enclosed with this letter is a special pass to the *Pumphouse Indoor Waterpark* at *Jay Peak Resort*. If you can use it please enjoy it with our compliments and appreciation for your support of the Education Foundation. If unable to use it, please pass it on.

The Blue Mountain Education Foundation is very committed to its mission of enhancing the school experience for all our children. It's your support of our fundraisers that make our efforts possible. Some of our past grants have gone for class field trips, equipment purchases for both classrooms and school grounds, grants to individual programs, support of school projects and activities.... and so much more. Last week BMEF approved funds for a 2nd grade visit to the Rock of Ages Quarry in Barre and attendance at a live production of Shakespeare's *Hamlet* for 87 high school English literature students.

Your ongoing support makes this possible. For this we simply say "thank you"! Please accept the enclosed *waterpark pass* with our gratitude.

In case you may not know, The *Pumphouse Indoor Waterpark* has rapidly become one of Vermont's most popular attractions for families and people of all ages. It normally cost \$35 for a day pass to the waterpark. With the attached pass, two people receive day passes for the price of one, a savings of \$35.

Thank you for your past efforts in support of the Blue Mountain Education Foundation. The BMEF board appreciates all you do.

Warm regards,

Claudette Sortino,
On behalf of BMEF board members

PS. On March 7th we will be sponsoring a 2-week cookie dough sale. We encourage our community to support BMU by participating in this delicious event.
